58<sup>TH</sup> ANNUAL

# Blue Marlin

## TOURNAMENT

*Georgetown, South Carolina*

**MAY 20-23, 2026**

The Georgetown Blue Marlin Tournament has a long history of being the favorite among its participants. For the last several years, Georgetown has been the leader in participation, with **72 boats** for the 56<sup>th</sup> and **71 boats** for the 54<sup>th</sup>. With continuous catches, time honored traditions and unequalled service, the participation rate has been phenomenal, and we expect it to continue for the 58<sup>th</sup> Annual. Another key to the tournament's success is the continued support of our sponsors.

As a sponsor, your business will be introduced to a group of teams from up and down the coast and around the world. The exposure your business will get goes well beyond the docks at our tournament. Throughout the week there is also plenty of traffic from the local community. When the fish start hitting the docks, there is also large local community exposure.

The Georgetown Blue Marlin Tournament has partnered with The South Carolina Governors Cup Series. A series of five tournaments held between May and July, in Georgetown, Charleston, and Edisto. By partnering with the South Carolina Governors Cup Series, the tournament and its sponsors will be further promoted by their media specialists incorporating a designated web portal, popular social networks, and our own website. With new teams participating from up and down the coast there is an ever-growing audience.

At the tournament, all our events are held under the tents at the head of the dock at the marina. Daily, participants meet under the tent for meals and cocktails. With sponsorship we offer the opportunity to set up display booths in the area surrounding the event tents. This set up gives great exposure to the owners, crews, and guests throughout the event as well as local foot traffic.
